**Please note:**

The certificate is issued after testing of the named product/s and/or audit of the technical documentation and confirms that the tested product complies with the mentioned standards on a voluntary basis. The test result/audit result applies only to the sample and/or technical documentation submitted to CSA Group Bayern GmbH. The certificate holder is responsible for the consistent manufacturing of the product in compliance with the test sample submitted for testing.

This certificate expires when technical modifications to the product are made or, when the essential requirements of the listed standards change.

Please contact us, when technical modifications which may impact conformity with the essential requirements of the listed standards need to be made.
